Guideline for APPLICATION for Ph. D. STUDENT Scholarship / Award 2022

Second Call

The Microbiologists Society, India (MBSI) (www.microbiosociety.com) was established in 1996 (Reg. No. MAH/4814/SAT) Maharashtra, to promote activities and support research in Microbiology. MBSI announces awards for Ph. D. students to promote this goal:

Guideline:

1. Students (Indian citizen) registered for Ph. D. (Full-time) in Microbiology / Biotechnology during the academic sessions/semesters **June 2020 to Dec 2022 in an UGC recognised or National Institute in India can apply. Note: Students who have registered in the first call, but have not submitted the pdf file are requested to submit immediately.**

First step register: <https://forms.gle/Kh878PKVuVFRHFGH6>

2. Second step submit single pdf file as per guidelines

3. Attach proof / certificate wherever (*) required.

4. Amount: One time award of **Rs. 5000.00 per student for publication / research chemicals or services**). The amount will be paid only to the student via Bank account (self) on submission of proof of expenses (which has not been claimed with any other funds or agency).

5. **Only one / two student(s) from each State/UT** based on recommendation/evaluation by a committee will be given the award. **Please note: If more applications are there from a state, awards will be given on prorata basis.**

6. **Preference** will be given to students who are not availing any fellowship or assistance.

7. Furnishing wrong / incorrect information will disqualify the student. The assistance will have to be returned if disbursed.

8. Attach B. Sc., M. Sc. Final year Mark sheets and Degree certificate.

9. **Important:** The application form has to be submitted endorsed by the Ph. D. Guide with official seal and submitted as a single pdf file Labelled/Name as: MBSI_PhD-22_State_Name

10. **Please send the application form along with relevant documents to:**
upasanivn.mbsi@gmail.com

11. Last date for application: **3rd February 2023 (Friday) by 5.00 pm.**

12. Eligible students will be communicated by email for further action.

13. Decision of the President and Selection Committee will be final.
