

ONE-TIME FUNDING OPPORTUNITY FOR ORGANIZING SEMINARS, SYMPOSIA AND WORKSHOPS

MICROBIOLOGISTS SOCIETY

pleased to announce a one-time funding initiative for academic institutions. This funding aims to support the organization of academic events such as seminars, symposia, and workshops.

APPLICATION PROCESS

- **ELIGIBILITY** : All Life Sciences institutions conducting events in Microbiology or Biotechnology are eligible.
- **SUBMISSION** : Interested institutions must submit application expressing their interest to avail the fund.
- **APPROVAL** : Applications will be reviewed and approved by the microbiologists society committee.
- **REIMBURSEMENT** : Approved funds will be reimbursed upon submission of bills after the event.

FUNDING DETAILS

- **MAXIMUM AMOUNT** : ₹8,000 for institutes having a student unit and ₹4,000 for institutes that do not have a student unit.
- **FREQUENCY** : Once a year.
- **REIMBURSEMENT** : Funds will be reimbursed against the submission of bills after the completion of the event.
